

IPCA 2020 SPRING CONFERENCE ACE PREP COURSE

MARCH 24, 2020 / DOUBLETREE BY HILTON / MT. VERNON, IL

ARE YOU READY TO BECOME AN ACE?

Are you a licensed or certified pesticide applicator with a minimum of 5 years of verifiable pest management experience in the United States? Then you may be ready to become an Associate Certified Entomologist, also known as an ACE! The ACE program, run through the Entomology Society of America, is designed to benefit the practicing pest control professional. The program and its benefits are explained in its entirety at <http://www.entocert.org/ace-certification>.

IPCA'S ONE-DAY REVIEW COURSE

IPCA is offering a comprehensive one-day review course on **Tuesday, March 24th** from **8:30am to 5:00pm CST** to help prepare you for the ACE exam. This course will cover the primary knowledge areas on the exam including Inspection and Identification, Monitoring, Selection and Implementation of Control Methods, and Evaluation. Biology and behavior of pest groups include Biting and Stinging, Flies, Ants, Cockroaches, Stored Product and Fabric Pests, Wood Destroying Insects, Occasional Invaders and General Household Pests, and Common Commensal Pests (Non-arthropod) will also be covered. A full list of topics covered on the exam can be found at <https://www.entocert.org/new-ace-exam-content-outline>.

HOW DO I REGISTER?

The registration fee for this 1-day course is \$150. You can register online at www.ipcaonline.org or you can complete and mail this form and send it to: IPCA, 10460 North Street, Fairfax, VA 22030.

What Your Registration Includes:

- 6 CEUs
- Continental breakfast and boxed lunch
- Study Manual - IPM for the Urban Professional: A Study Guide for the Associate Certified Entomologist

WHAT IS NOT INCLUDED IN YOUR REGISTRATION?

Your registration does **not** include the ACE exam registration or exam fee. **Your registration is only for the review course.**

Before you can become an ACE, you will need to provide two letters of professional reference, be willing to adhere to the ACE Code of Ethics, complete the application and pay the application fee to the Entomological Society of America and pass an online test of your knowledge of structural pest control. The application process is separate from this training. Complete details about applying for ACE Certification can be found at www.entocert.org. Any questions can be directed to Willet Hossfeld at WHossfeld@entsoc.org.

REGISTER NOW, ONLY 15 SEATS AVAILABLE!

The first 10 registered will be registered for a live webinar hosted by instructor Heather King on Monday, March 16. This webinar will cover essential best practices for preparing for the ACE exam to ensure you maximize your study efforts and earn a passing score.
